

“ I can't be an expert in every area of my farming operation. So, I need a seed company that's developing and researching products for my local area, knows the ground I farm and is willing to actually walk my fields with me. ProHarvest does that. To them, I'm more than a number, because they truly want me to succeed. ”

—Jason Johnson | Paxton, Illinois

- RR2Y- Genuity® Roundup Ready 2 Yield® Soybeans
- STS- Sulfonyleurea-Tolerant Soybeans

\*\*Herbicide Tolerance:  
1= Variety is tolerant to conventional soybean herbicides.

2= Variety conveys in plant tolerance to Glyphosate herbicide  
3= Variety conveys in plant tolerance Glyphosate and Sulfonyleurea herbicide

4= Variety conveys in plant tolerance to Glyphosate and Dicamba herbicide, (Pending Regulatory Approval)  
5= Variety conveys in plant tolerance to Glufosinate herbicide
