

CORN

At ProHarvest, we know that performance is what matters. Our 2022 line up of hybrids has been researched and developed for outstanding results. From SmartStax® RIB Complete® to conventional hybrids, this year's wide range of options will produce top yields on your farm. We are confident that planting ProHarvest hybrids in your field will not only meet your needs, but exceed your expectations.

Hybrid	Relative Maturity	Trait	Plant Height	Leaf Type	Ear Height	Ear Type	TW	E	SS	RS	SG	DT
